is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body **No. 2129 - Bureau Veritas, d.o.o.**, has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

ATTESTATION

This certificate confirms that all provisions concerning the certification of Factory Production Control described in Annex ZA of the standard EN 1090-1: 2009 + A1: 2011 under system 2+ were applied.

This certificate was first issued on 04.02.2021 and will remain valid until 04.02.2024, as long as neither the harmonised standard, the construction product, the AVCP methods, nor the manufacturing conditions in the plant are modified significantly, unless suspended or withdrawn by the notified factory production control certification body. The validity of the certificate may be confirmed by contacting info@bureauveritas.com.
